#### About Jungle Restaurant in Muscat:

The Jungle is a novel casual restaurant created along the tropical rainforest theme amidst lush foliage. The location and the ambience of the restaurant complement the most to its unique venue. The restaurant offers a unique opportunity to experience the natural elements atypical of a rainforest- rain, thunder and lightning along with the sounds of a roaring dinosaur, chirping birds and other animals as you walk through it. The Jungle has an amazing and distinctive décor that matches perfectly with the ambience and theme of the restaurant. Beautiful cave drawings, ethnic etchings, indigenous lighting and a two-level seating style that offers unrestricted views of the rainforest make The Jungle an intriguing dining venue. The food provided from lunch to dinner is as vibrant as its theme. The finest delicacies of Asia, Europe, Middle East and Americas are prepared by expert chefs using quality ingredients. There is a live-grill station at each table that allows the guest to get a complete feel of dining out in the wilderness.

#### About Fleur Restaurant at Dunes by Al Nahda:

Open in season, our Al Fresco all-day-dining restaurant is pleased to offer a multi-cultural buffet breakfast as well as delicious A-la-Carte and Table d'hôte lunch and dinner options. All items are from local producers (as available) and carefully chosen to enhance your dining experience. The restaurant, with Western and Omani styled seating and decoration, provides a select, though relaxed, ambience in an incomparable setting and views of majestic sand dunes and nature – Al Fresco dining at its natural best
